

BLUE ROCK WALK LOOPS

Shorter loop 30 minutes
 Longer loop 1 hour

Features

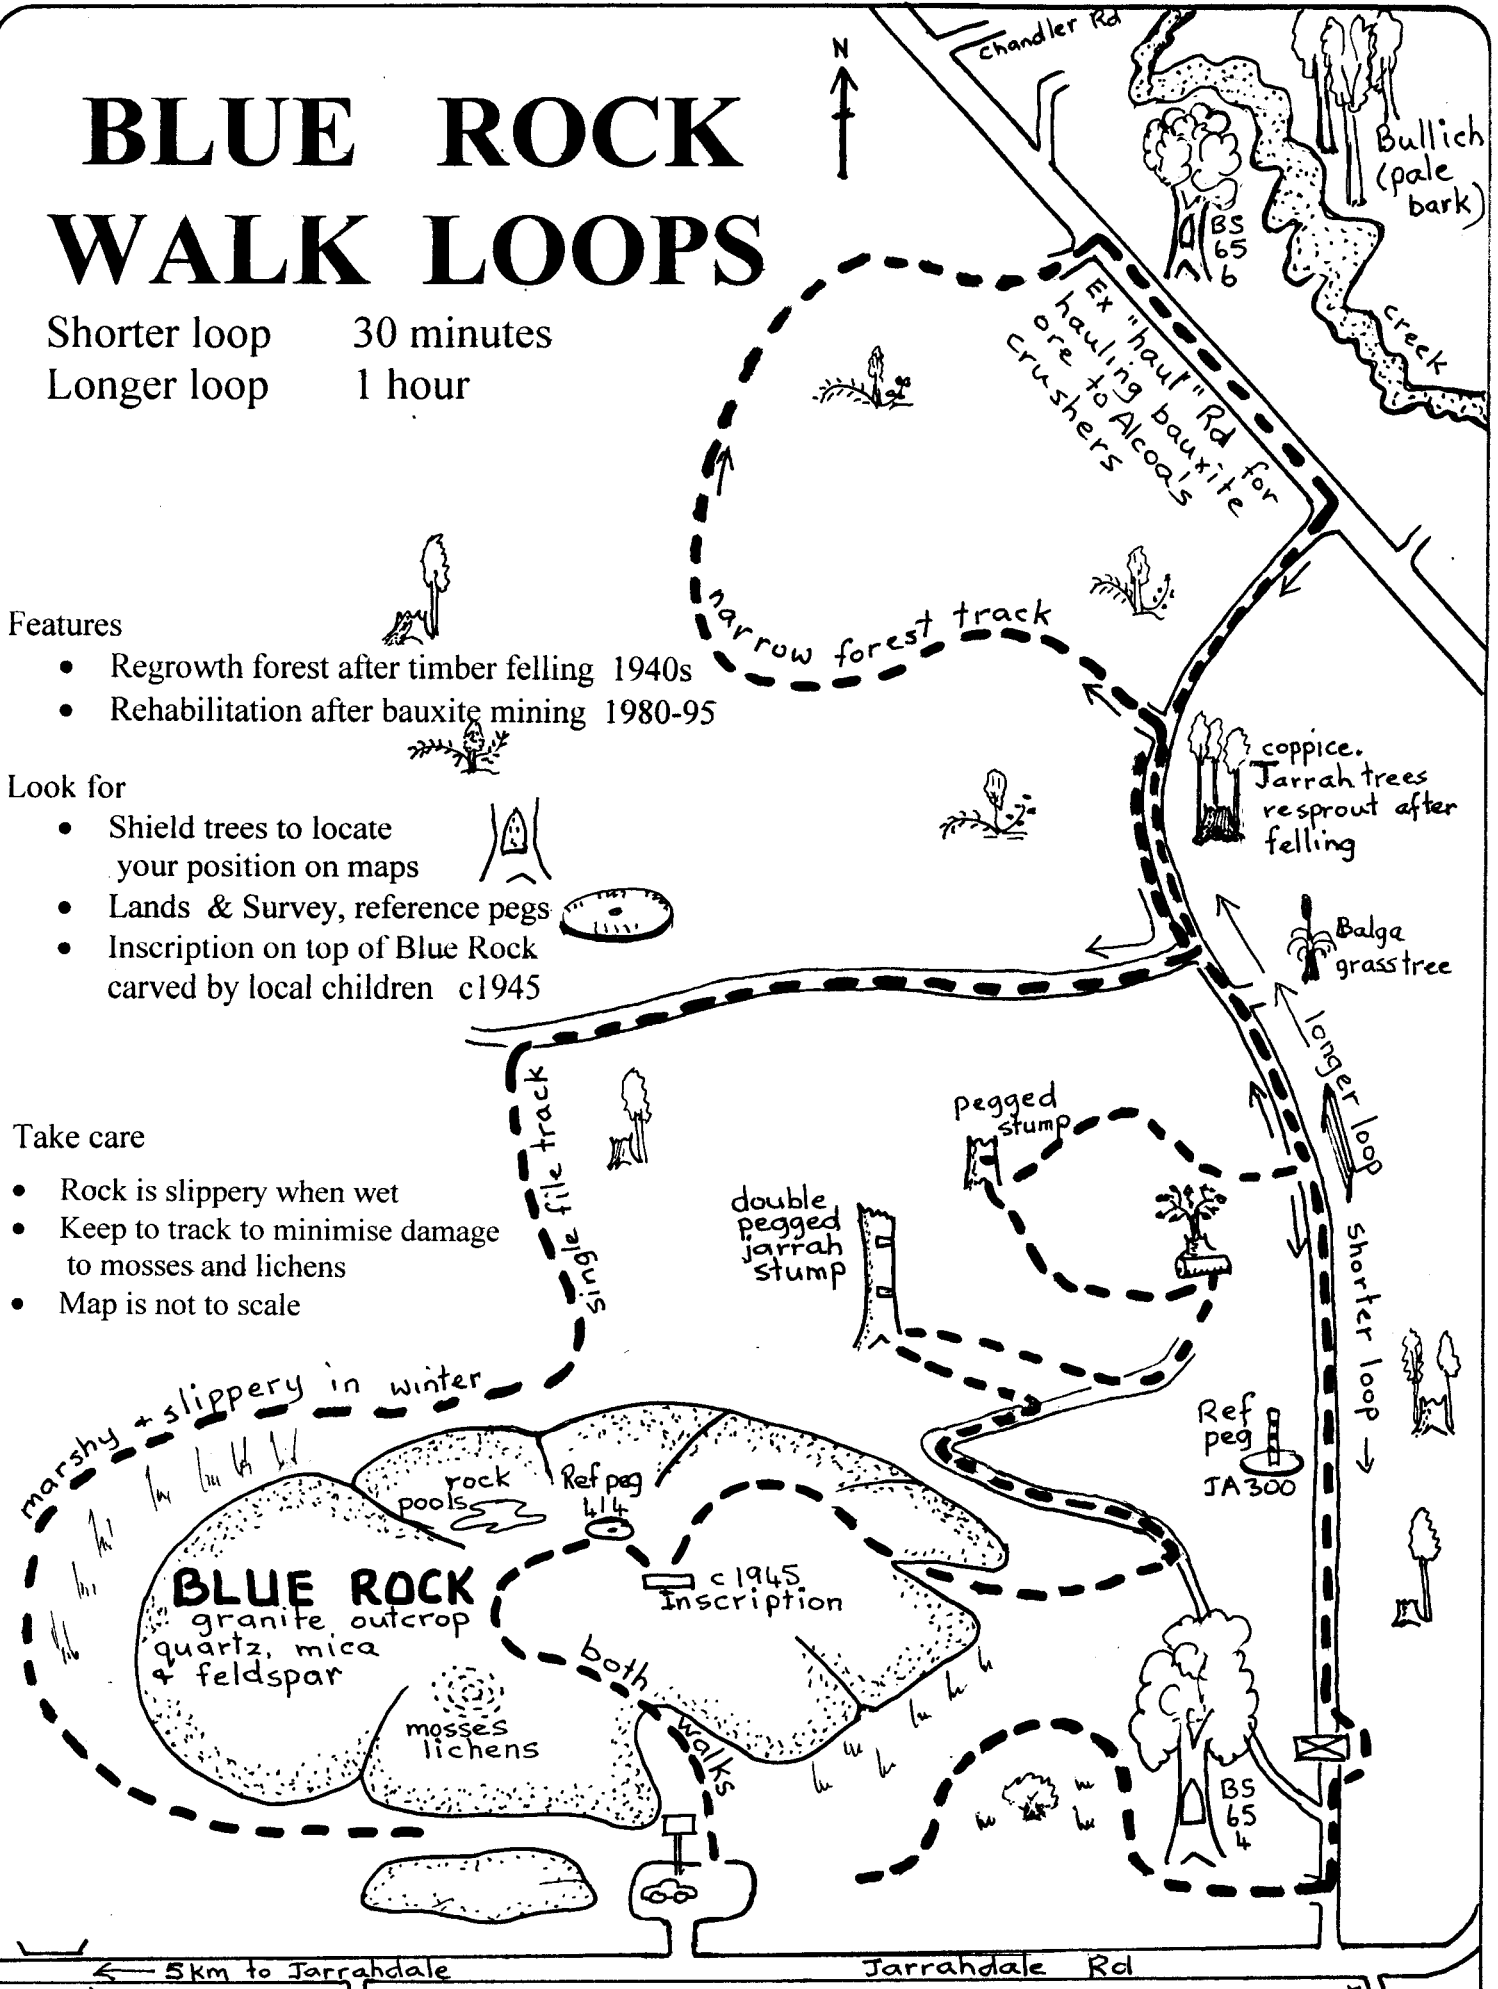

- Regrowth forest after timber felling 1940s
- Rehabilitation after bauxite mining 1980-95

Look for

- Shield trees to locate your position on maps
- Lands & Survey, reference pegs
- Inscription on top of Blue Rock carved by local children c1945

Take care

- Rock is slippery when wet
- Keep to track to minimise damage to mosses and lichens
- Map is not to scale
